

CANAPÉ

**Rigorous, essential,
resistant and
comfortable.
Canapé is the
collection that suits
everybody.**

COMFORTABLE

The sofas and armchairs of Canapé collection ensure a high comfort level thanks to the padding in high-density foamed polyurethane, CFC free, that envelops the structure ensuring inalterability of the shapes and compactness in time. The back height is optimal to support the back, while the seat depth is suitable for talking and relaxing moments.

NATURALLY RESISTANT

Canapé inner structure is made in wood to ensure sturdiness and resistance to any product.

FUNCTIONALITY AND CLASS

Canapé features a wide range of valuable upholsteries. In the GL version, the back and seat can be embellished with handcraft stitching with large square pattern. The seat and back cushions can be repositioned thanks to a quick-hold strap.

PCON.PLANNER

It will be possible to configure our model Canapé by using pCon.planner program for the design of 2D an 3D environment.

pCon.planner allows to design working solutions in a fast and intuitive way, creating "realistic" images with advanced features, with a considerable saving of time and resources.

It is easy to start using pCon.planner: after downloading the software in the proper page, it is possible to download pCon.catalog, the practical online catalogue of products ready to be set up according to anyone's need, and then include the products in the projects.

For more information on the use of pCon.planner and the access to the products of the SitLand's catalogues, please contact com@sitland.com

WARRANTY

Canapé and Canapé GL have 5 years warranty.
