

ES08-1600WAI Electric stacker with initial lift

- **INITIAL LIFT**
- **LONG STEERING ARM FACILITATES MANEUVERABILITY**
- **COMPACT DESIGN**
- **BUILT-IN CHARGER (220V)**
- **MAINTENANCE FREE BATTERIES (224AH)**

Compact walkie stacker, perfect for order picking, transportation and stacking up to 1600 mm height. The mono mast gives the worker a good sight over the load and forks. An ergonomic steering arm with easily accessible controls facilitates handling. The stacker is equipped with a rubber steering wheel which results in a good grip. The compact design makes the stacker optimal for trucks and in narrow warehouses.

Suits perfectly for

- Trucks
- Warehouses
- Shops
- Small scale industries
